To guarantee priority seating, please be sure to order your additional tickets before they go on sale to the general public, however, you may place your order at any time prior to the performance. If you order additional tickets before they go on sale to the general public, they will be mailed to you within four weeks. There are no refunds or exchanges for additional tickets and seating is not guaranteed. Show dates, on-sale dates, times, prices and artists are subject to change without notice. Tickets are purchased under Broadway Across America season ticket privileges and are subject to the terms and conditions of that relationship.
